

Guidelines as provided by the Nigerian Upstream Petroleum Regulatory Commission (NUPRC) and the Nigerian Midstream & Downstream Petroleum Regulatory Authority (NMDPRA).

A. GUIDELINES ISSUED BY THE NIGERIAN UPSTREAM PETROLEUM REGULATORY COMMISSION (NUPRC)

1. Guidelines And Procedures for Obtaining Minister's Consent to the Assignment of Interest in Oil & Gas Assets
2. Procedure Guide for Construction & Maintenance of Surface Production Facilities
3. Procedure Guide for the Construction and Maintenance of Fixed Offshore Platforms.
4. Guidelines for the Award and Operations of Marginal Fields in Nigeria
5. Oil Block Allocations to Companies (Back-in Rights) Regulations
6. Gas Exploration and Development Permitting & Requirements
7. Guidelines and Procedure for Travel to Offshore/Swamp Location and Obtainment of Offshore Safety Permit
8. Guidelines for Compliance with the Technical Safety Control (TSC) Requirements
9. Guidelines for The Implementation of Risk Based Inspection in The Nigerian Oil and Gas Industry
10. Guidelines and Procedure for Lifting Equipment and Lifting Operations
11. Guidelines for The Release of Staff in The Nigerian Oil and Gas Industry 2019
12. Guidelines and Requirements for the Application of Oil and Gas Industry Services Permit (OGISP)
13. Requirements for the Maintenance and Inspection of Flexible Pipes, SCR, and Mooring Chain Systems
14. Guidelines & Procedure for Construction Operation & Maintenance of Pipelines
15. Guidelines for the Establishment and Operations of Safety and Emergency Training
16. Guidelines for Work at Height and Confined Space Entry
17. Safety Case Guidelines for Oil and Gas Facilities in Nigeria

Midstream Guidelines

1. Procedure Guide for Lube Oil Blending Waste Oil Recycling Plant
2. Procedure Guide for the Grant of Lube Storage & Sales License
3. Procedure Guide for Third Party Blending & Lubricant Filling Plant
4. Guidelines for the Establishment of Natural Gas Plant Facility in Nigeria
5. Guidelines for Flare Gas Measurement Data Management and Reporting Obligations
6. Guidelines for Operations of Refining Facility Final
7. Guidelines for Establishment of Hydrocarbon Processing Plants
8. General Requirements and Guidance Information for the Establishment of Modular Refineries in Nigeria
9. Guidelines for the Design Construction and Operation of Oil and Gas Pipeline Systems in Nigeria

[Click Here](#) to access the above guidelines.

Downstream Guidelines

1. Procedure Guide for the Determination of the Quantity and Quality of Petroleum and Petroleum Products in Nigeria
2. Guide for the Establishment and Operations of Downstream Gas Facilities in Nigeria
3. Grant of Bulk LPG off Take
4. Guidelines for the Importation of Petroleum Products into Nigeria
5. Guidelines for Obtaining DPR Approval for Transfer of Asset in Downstream
6. Guidelines And Procedures for Obtaining a Coastal Vessel Licence
7. Filling Station Guidelines
8. Bunkering Guidelines Updated 2016
